1. Frankfurt files contain no information suitable for transmittal to the BfV.

2. For your information only, this is apparently a CIC case. We have a report from Pullach, dated 13 October 1949, which substantiates the statements made to the BfV by NEY. As CIC, Austria, has been queried, no doubt they will furnish more information on subject.

3. CIC also queried us, for the BfV, on this case.
